

New Discounts for the Pearson User Group Program – IT Pro & Developer!

Dear User Group Leader:

We're very excited to offer two new discounts for User Group Program members going forward in 2011. Please forward or share the details below with your group members as possible.

Program Discounts

NEW! Buy 2 Products, Save 40%*

- Enter Coupon Code **IUG240** at Step 3 of checkout

NEW! Save 45% on Digital Products**

- Enter Coupon Code **IUGD45** at Step 3 of checkout

Remember, User Group Members Save 35% Everyday on InformIT

- Create free account at informit.com/join
- Enter **USERGROUP** in optional member code line
- You only need to apply the code once, but must be logged-in to receive discounted pricing

*Eligible titles. Pearson and InformIT have a long tradition of supporting our retail partners and helping them to grow their business through promotions. When our retail partners are promoting a Pearson title, we support their sales success and do not compete with direct offers.

** All Digital Products including eBooks, Cert Flash Cards Online, Simulators, Video = DVD, Full Download (not individual lessons), Book+DVD bundles and Cert Kits

Please email usergroups@informit.com with any questions or concerns.

- Pearson User Group Program – IT Pro & Developer Team

Thank you for being an active voice in the IT Community!
